

**HIEC Virtual Career Lab**  
**Let's Help Bob find a Suitable Job**

**Task 1:**

Examine Bob's preferences below. Brainstorm a list of jobs/occupations/professions that you think Bob would be most suitable for.

**Remember:**

You do not have to address ALL of the preferences below, but do aim to address as many as possible.

<u>Interests</u>	<u>Skills</u>	<u>Values</u>	<u>Environmental Preferences</u>
Animals Technology Solving Puzzles Cooking and baking Building, Repairing & Designing	Reading Math Creativity Organization Teamwork	Resilience Humour Compassion Honesty Family and Friends	<b><u>Bob prefers to work:</u></b>  Outdoors With many people In casual clothing Noisily Where I move around a lot In a smaller town

**List below your ideas:**

**Task 2:**

Select the job/occupation/profession that you think is most suitable for Bob and complete the research questions below.

**You can find the following information at:**
